

# Muskegon Conservation Club Membership Application

You may join online at [www.muskegonconservationclub.org](http://www.muskegonconservationclub.org) or fill out this form. There are two options for membership:

The \$40 option is for one primary club member who will receive: one membership card, access to one gate card, one official vote at club meetings/elections, and membership in the Michigan United Conservation Club (MUCC). The primary club member must accompany family members or guests when they are at the club.

For an additional \$20 (\$60 total), a co-applicant (spouse/partner at same address as primary member) can become a spousal member. Spousal members opt to receive a separate gate access card, a membership card, and can vote in the MCC elections. Spousal members can be on the grounds without the primary member. They are not MUCC members.
